Important changes

The NWSA Club Rules and Code of Conduct has been updated. If your copy doesn't say "revised 11/20/2017" then you have an old copy. You can download the latest version from our web site. And remember, the club By-Laws specifically say that all members should read and comply with these Club Rules and Code of Conduct.

Sportsman of the Year

Do you know someone who would be a good nomination for NWSA Sportsman of the Year?

Voting will be at the February meeting, so don't hesitate to nominate someone who deserves it.

A member who has done something to foster our Association, to forward our goals, to help the other sportsmen and sportswomen who make up our organization.

Recognition is deserving and this is one way we can show our fellow members we appreciate their service to our organization.

Nominate, and VOTE at the February meeting!

Training

The February NRA class is an NRA Basics Of Pistol Shooting class for Women Only. The March class will be a Personal Protection In The Home class. Signup for both classes is online at nrainstructors.org or from the link on our website.
