## Beginner's Trap Shooting Class

The club will be conducting another beginner's Trap shooting class starting in March. It will be restricted to 5 participants, with priority given to youth (still in school), ladies, and all other new shotgun shooters, in that order. It will cover safety, shotgun types and gauges, gun handling, range rules and how to break targets. You will have to supply your own gun and ammunition (12 or 20 gauge, No.7½ or 8 shot). The class will run for 7 weeks and cost \$25.00.

Contact George Peterson 675-8589 or Bill Diekman at 675-4455 for more information.
